BRILLIANT NUPTIALS AT BIG SPRING.

Beautiful Church Wedding Last
Evening At Methodist Church
In Presence Of Many
Guests.

HANDSOME HOME RECEPTION.

A most beautiful wedding was that of Miss Olla Mae Clarkson and Dr. A. M. Hardaway, which took place last evening at 8:30 o'clock at the Methodist Episcopal church at Big Spring.

Some time before that hour the church was filled with the friends of the young couple and before the arrival of the bridal party a musical programme was rendered. Miss L. Clarkson sang "Loves Token" and just prior to the entering of the party "Cupid Will Guide" was sung by Mrs. Milton Bardwell, of Louisville.

The pulpit was hidden in masses of foliage and potted plants. Plants were also grouped around the church. In the aisles were arranged posts trimmed with green, supporting bunches of white flowers tied with white tulle. Over the entire altar where the bridal party stood was a canopy of smilax.

The wedding march announced the arrival of the bridal party. They entered the church led by two ushers, Harry H. Kemper, of Irvington, and Pierce Hardaway, of Beweville. Then came Mr. Philip Carter, of Jacksonville, Fla., and Wm. Hogan, of Chicago. The maid of honor, Miss Etelka West Jacob, of Milwaukee, came next, unaccompanied. She was followed by Mrs. Harry Kemper, matron of honor. She preceded the bride and her brother, Mr. Ben Clarkson. They were met at the chancel by the groom and his best man, Frank Thompson, of North Dakota.

The ceremony was performed by the Rev. G. B. Overton, of Campbellsville, and during the service Rubenstein's Melody in F. sharp, was played. The bride wore an exquisite lace robe made over satin and chiffon. It was made of point applique, empire style, with three flounces of lace finishing the bottom. It was cut with a graceful train and had a transparent yoke of pearls. She wore the usual tulle veil and carried a French bouquet of lilies of the valley.

Mrs. Kemper wore her wedding gown of chiffon over tulle. She carried an arm bouquet of lilies and in her hair she wore a spangled egrette.

The maid of honor wore a pink creation made empire. She carried an arm bouquet of sweet peas and her hair was beautifully dressed in Grecian bands. Miss Hardaway was unusually attractive in a pink and white dress made princess. It was trimmed in pink satin bands and had a sash of pink satin. She also carried a bouquet of pink sweet peas and wore a Grecian hair ornament.

Following the wedding ceremony was an elaborate reception given at the hospitable home of the bride's mother, Mrs. Julia Clarkson. The house was artistically decorated in Japanese lanterns and decorations. The dining room was the most beautiful of all, a canopy of smilax occupying the room. The bride's cake was stood on a table to itself and was oblong in shape, on top of it was a pink candy basket and twenty pink ribbons hung from the cake, which contained the thimble.

The bride's gift to her maids were lovely pearl pins. Dr. and Mrs. Hardaway left immediately for their home in North Dakota.

Visiting In Rockvale.

Frank Bogard and Stiles Howard will return to Cloverport this week after a short visit to Mr. G. B. Howard, at Rockvale. Mr. Bogard is a former instructor in mechanical drawing at Clemson College, S. C. He and Mr. Howard will be most welcome in social life in Cloverport as well as in business circles.

Greatly Amused.

Dr. A. A. Simons has been greatly amused during the last two weeks over the entertaining stories about the date on the terrapin. He says the Cannelton Telephone should have made his short visit to Mr. G. B. Howard, at Rockvale. Mr. Bogard is a former instructor in mechanical drawing at Clemson College, S. C. He and Mr. Howard will be most welcome in social life in Cloverport as well as in business circles.

For the next two weeks we will give you beautiful enlargements with each dozen cabinets for \$5.—Brabant.

PAROONS FOR POWERS AND HOWARD

Both Prisoners Promptly Turned
Loose Saturday And Leave For
Their Homes Immediately.

PARDONS CAUSE EXCITEMENT.

Frankfort, Ky., June 13.—At 8 o'clock this morning McKenzie Todd, private secretary to Gov. Wilson, sent word to all Frankfort newspaper correspondents to come quickly to the Executive office, where the Governor would soon be ready to announce his decision upon the applications for pardons made by James Howard and Caleb Powers.

Not long after the Governor appeared and both men were pronounced pardoned. Howard was serving a life sentence, while Powers, thrice convicted, had been granted a new trial. It is said Powers will go to Chicago to attend the Republican National Convention.

When the pardons were issued Powers was in jail at Georgetown and Howard was wearing stripes in the Frankfort penitentiary.

The Governor also pardoned Powers from the indictment of the Franklin Circuit Court, charging subordination of jury.

On being released from the penitentiary Jim Howard took the Chesapeake and Ohio train for Louisville.

Lexington, Ky., June 13.—Powers will leave Georgetown on the 10 o'clock C. and O. train to-night for his old home in Barboursville, passing through this city and arriving at Barboursville early Sunday morning. This was the announcement made at noon by one of his close personal friends.

He will be accompanied by his brother-in-law, N. H. Green, Prof. H. Byrnes, Dr. Samuel Bennett, W. W. Byrnes, Chairman of the Republican Eleventh Congressional district committee; Henry McDonald and a half dozen other Barboursville friends.

Plans are being made at Barboursville to tender him a public reception Sunday, and hundreds from Knox and surrounding counties are expected to be present to extend congratulations.

SAD ACCIDENT.

Little Child Crushed To Death At
Ekron Last Thursday.

Two little two-year old son of Mr. and Mrs. Sparrel Kasey was crushed to death under the fly wheel of a saw mill engine near the station at Ekron last Thursday evening.

The funeral took place at Rosetta Friday. The sympathy of the many friends of Mr. and Mrs. Kasey goes out to them in their great trouble.

Can't look well, eat well or feel well with impure blood feeding your body. Keep the blood pure with Bitter. Eat simply, take exercise, keep clean and you will have long life.

Real Estate Sale.

V. G. Babbage, administrator of the estate of Isaac Blair, deceased, will sell the property of the deceased on June 27th.

Methodist Parsonage Day.

All the members of the Methodist church, and all friends of the church are asked to be present next Sunday morning at 11 o'clock to join in the Parsonage Day exercises. A full account of the new building will be given and the plan will be submitted for the completion of the work. Don't fail to be on hand promptly at 11 o'clock.

HOWARD MFG. CO. SEEKS CLOVERPORT.

May Establish A Plant In This
City—Company's Representa-
tive Highly Pleased With
The Out-Look.

ONLY GOOD WILL WANTED.

Frank Bogard, member of the Howard Mfg. Co. was here Saturday making arrangements to establish headquarters in Cloverport for that company and if satisfactory results can be obtained they will install a plant here for the purpose of making the Howard System of Domestic Water Supply. The company will not solicit stock and will carry on their business on their own hook. All they ask of Cloverport is the city's welcome and good will.

Mr. Bogard and the other two members of the Company, Stiles Howard and G. B. Howard, will arrive here in ten days to make definite plans for business.

CUPID'S PRANKS AND SOCIAL NEWS.

June brides are now far in dreamland, some riding in touring cars, in ocean steamers, in pullman cars, in rubber tire run-a-bouts and others happily walking a dirt road to a magistrate's office. It matters not the way, each one is going toward that blissful event of her life—her wedding day. Planning her trousseau, dreaming of her presents, and adorning her person with a sweet dream—from which to be awakened by the call, "Come!" And what that means, only time can tell.

When one of Cloverport's prospective brides opened the boxes from the dress-makers the other day, showers of rice fell from the clothes and in her exultation over her wedding dresses she naturally left the handfuls of grain for someone else to pick up. That night at the supper table the old colored auntie brought in a large bowl and said to the pretty young bride, "Honey, here's 'at rice' at come in yer clothes, it looked too good to waste, so I jest cooked it."

As a rule, a girl in love is right about minded, but an engaged girl is worse than that—almost crazy. Just recently an attractive young girl who had become betrothed to a devoted suitor, was told by her mother to get a bucket of water. She obediently took the bucket and filled it with coal.

Mrs. W. H. Bowmer gave a beautiful party Friday morning from 9:30 to 12 o'clock, in honor of Miss Ruth Haynes and Miss Margaret Moorman. She was assisted in entertaining by her daughter, Miss Marion Bowmer. The house was prettily decorated in cut flowers and cupid made his appearance in other decorations. Fruit punch was served to the guests as they were received and elaborate refreshments followed. The ices were delicious and on the individual cakes were bride's roses. Just before the guests made their departure each one was given a chance to cut the wedding cake. Miss Rebecca Willis cut the needle, Mrs. Fred Perry got the thimble and Miss

Eva May the dime. The ring was cut by Mrs. George Short, who afterwards threw it from the stairway to the unmarried girls. It was caught by Miss Lucy McGavock. Mrs. Bowmer presented each bride with a Japanese fruit bowl as a wedding gift.

The wedding of Miss Margaret Wickliffe Moorman to Dr. John Edwards Kinchloe will be solemnized in the Methodist Episcopal church this evening. The ceremony will be held by the Rev. B. M. Currie at 8:30 o'clock. Mrs. Margaret Bennett of Henderson, will be matron of honor and Mr. Lewis Kinchloe will serve as best man. The bridesmaids are: Misses Nannie Kinchloe, Ray Lewis Heyser, Lula Margaret Severs and Addie Louise Babbage. The ushers are: Messrs. Claude Mercer, Tom Moore, Chas. Morris and Tom Bowmer. The bride will be given away by her cousin, Mr. Chas. Moorman. Miss Lillie Muir Waller, of Morgantown, will play the wedding march.

The color-scheme of the occasion is pink and white. The matron of honor will wear a pink dress and the maids will wear white dresses and pink girdles. The bride will wear a white dress and a bridal veil.

Mrs. L. T. Reid was a charming hostess at a dinner given at her home Saturday evening in honor of Miss Margaret Moorman.

Twenty-three guests made the linen shower in honor of Miss Moorman given by Miss Severs, one of the merriest and most enjoyable of the entertainments given for the bride-to-be. As the guests arrived they were received by Miss Louise Babbage and Miss Severs stood at the head of the receiving line and introduced them to Miss Moorman. Mrs. Bennett, Miss Nancy Kinchloe and Miss Lillie Waller. Miss Ray Heyser presided at the punch bowl. The house looked beautiful decorated in cut flowers, the color-scheme, green and white, being carried out in the decorations and also in the refreshments.

Most interesting was the flower garden in the reception room which was made-up of linen presents for the bride. Miss Moorman was invited to dig into the garden of grass and daisies and she found at the root of each blossom an exquisite gift of love and linen. Immediately after the presents were opened a magazine article on linen was read by Mrs. Harry Newsom. Before the guests departed Mr. Chas. Moorman took several snapshots of the party.

Mr. and Mrs. Wickliffe Moorman will entertain the Kinchloe—Moorman bridal party at their home this evening immediately after the wedding.

Miss Ruth Haynes and Miss Margaret Moorman were complimented by a charming reception given at the home of Mrs. Chas. Skillman yesterday morning.

Sail For Naples.

"Mrs. Pinkham, of the Lydie E. Pinkham Medicine Company, of Lynn, Mass., together with her son, Arthur W. Pinkham and the younger members of her family, sailed for Naples on May 20 for a three months' tour throughout Europe and a much needed vacation."

NINETEEN PRESENT.

Little Forrest William Woods was the guest of honor at a pretty party given in honor of his birthday, June 4. He received nineteen lovely presents. Here is a name sake of Dr. Forrest Lightfoot.

DEFEAT, YET VICTORY.

Breckenridge Democrats, as a rule, are sensible and informed and represent the best thought of their party. Notwithstanding this, they have, in a half approving manner, submitted to "machine domination" for the past few years. While loyal to Gov. Beckham, as a county, the sentiment of the great majority, beyond doubt, were tired of the quibbling of leaders and joined in the united demand of Kentucky Democracy for harmony. Notwithstanding these existing conditions, the handful of officers, politicians and their henchmen who met in the County Convention defeated Judge Moorman—who the week before had written a magnificent Democratic editorial advocating harmony, the return of power from the centralized influence of committees to the people and other sound Democratic doctrines that were unanimously endorsed by a united Democracy at the State Convention. While this young man may be so strenuous as to be a partisan, while his editorial denunciations of things he does not approve are sometimes too severe, it nevertheless remains a fact that he is one of the far-seeing young Democrats of Kentucky with sound convictions and the fearlessness to express them, even at the sacrifice of present personal preferment. He stands on principle, and even if he was overruled here in his desires to have the convention endorse McCreary, Haldeman and Woodson along with Beckham, James and harmony, his ideas were vindicated at Lexington, and are appreciated by a majority of Breckenridge county Democracy. He is the type of man the people need in politics.

Cloverport is on the verge of having another business plant, and if the Howard Manufacturing Company gets sufficient encouragement this city will be chosen as the place for its factory. The company has already decided to make headquarters here for the summer. The members are Kentucky men, two of them, Messrs. Howard, of Breckenridge county, and the other, Mr. Bogard, is formerly from Trigg county. They are soliciting so stockholders; all they want is the good will of Cloverport, which will surely be given them by each and every citizen. May the Howard Manufacturing Company come to our town, settle here and make good.

What people can do when they exercise determined efforts can be proved by the success that Mr. and Mrs. Nielsen have made in improving Tar Springs. Despite the bad roads and rainy weather this last spring, they have gotten the resort into better shape than it ever before has been. Breckenridge county should be very proud to have such a beautiful spot within its boundaries, and unfortunate will be the person who cannot visit the springs this summer. Judge Moorman and Road Overseer Ballman are to be commended for taking prompt action last week in having the roads worked, and it is hoped that every mud-hole and hill will be given best attention. Tar Springs does not only mean a place of rest for the people, but it means pleasure and profit as well. Thousands of dollars will have been spent there when the season closes, and every cent of it will come directly or indirectly into the business channels of this and surrounding counties. Let us visit the springs, admire the resort and keep it going.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong And Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthily some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

J. J. Dyer, living in Cloverport, Ky., says: "I have kept Doan's Kidney Pills constantly in the house for over ten years and have never found a remedy that would equal them. Three years ago my back was so lame and sore that I was scarcely able to straighten after assuming a stooped position. Whenever I contracted the slightest cold it was sure to settle on my kidneys and greatly aggravate my suffering. A few doses of Doan's Kidney Pills have never failed to bring me prompt relief, and my wife has also used them with excellent results. I procured Doan's Kidney Pills at Fisher's drug store, and it gives me great pleasure to recommend them to other persons afflicted with kidney complaint."

For sale by all dealers. Price 50 cents. Foster-McBride Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Notice.

All persons having claims against the estate of Isaac Blair, deceased, are hereby notified to produce the same before me, properly proven, on or before July 1, 1908.

QUEEN OF ACTRESSES PRAISES PE-RU-NA.

MISS JULIA MARLOWE.

"I Am Glad To Write My Endorsement Of The Great Remedy Per-na. I Do So Most Heartily."

Julia Marlowe.

ANY remedy that benefits digestion strengthens the nerves.

The nerve centers require nutrition. If the digestion is impaired, the nerve centers become anemic, and indigestion is the result.

Per-na is not a nerve nor a stimulant. It benefits the nerves by benefiting digestion.

Per-na frees the stomach of catarrhal congestions and normal digestion is the result.

In other words, Per-na goes to the bottom of the whole difficulty, when the disagreeable symptoms disappear. Mrs. J. C. Jamison, 61 Marchant street, Watonsville, Cal., writes:

"I was troubled with my stomach for six years. I tried many kinds of medicine, also was treated by three doctors. They said that I had nervous dyspepsia. I was put on a liquid diet for three months.

"I improved under the treatment, but as soon as I stopped taking the medicine, I got bad again.

"I took the medicine for two years, then I got sick again and gave up all hopes of getting cured. I saw a testimonial of a man whose case was similar to mine being cured by Per-na, so I thought I would give it a trial.

"I procured a bottle at once and commenced taking it. I have taken several bottles and am entirely cured.

"I have gained in strength and feel like a different person. I believe Per-na is all that is claimed for it."

Nervines, such as coal tar preparations, are doing a great deal of harm. Sleep medicines and headache powders are all alike,—heart depressants, and should not be used. The nerves would be all right, if the digestion were good. Per-na corrects the digestion.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitution of remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pill for constipation.

MILLIONAIRE GROOM VISITED HERE.

Joseph Leiter Weds Miss Juliette Williams, of Washington.
Non-y-moon at Manchester-by-the-Sea

MANY COSTLY PRESENTS

Whether or not Joseph Leiter, the Chicago millionaire, remembers his short visit to Cloverport last June, many Cloverport people very pleasantly recall the excitement of the money god's short stay in this city. Anyway he is married now, having married Miss Juliette Williams in Washington, June 10.

The wedding was a very quiet one, and only a few persons were invited, but the bride received many beautiful presents just the same. Her mother-in-law gave her \$3,000,000. Her father, Col. Williams, gave her \$1,000. She bought a little horse-shoe brooch with this. It was set with diamonds and sapphires to match her engagement ring. The bride's trousseau cost \$6,000. She intends to add another supply to it when she arrives in Paris. Mrs. Leiter is twenty years of age, half the age of her husband.

Mr. Leiter did not look to be over thirty when he was in Cloverport and all the girls here who saw him thought he was grand before they learned he was a man of great wealth.

The bridegroom not only has millions, but he has "manners" and it is to be hoped that he will never lose either. The June night that Leiter came to Cloverport he arrived in his automobile with four other traveling companions right after supper. He first stopped at the St. George hotel and receiving information there that supper had been served he stepped off in his machine to the Pato House. His party were royally treated there, but not until they were ready to make their departure did Mr. and Mrs. Pato know that this man had so much junk.

Letter sent word back from Cannelton that he had never eaten a finer meal than Mrs. Pato was so kind to have served to him and his guests that night after the supper had passed.

Millions are all right and Cloverport would enjoy having visits from them frequently. Mr. and Mrs. Leiter would be welcome visitors to this city again and several would like to see the bride couple blow in here some day in a great big touring car on a special train. They are spending their honeymoon at Manchester-by-the-sea and in August they will go to England.

In Persia a bonfire plays an important part in the marriage ceremony, the marriage service being read over in front of it.

BY TERRIBLE ITCHING ECZEMA—FACE AND HEAD A SOLID SORE—SPREAD TO HIS HAND AND LEGS—WOULD S'ATCH UNTIL HE BLEED—TINY SUFFER IMMEDIATELY RELIEVED AND ENTIRELY CURED IN 2 MONTHS BY CUTICURA

"When my son Walter was three weeks old, eczema appeared on his face. We did not know what to do. I was so worried to a doctor who treated him for three months. Then he was so bad that his face and head were nothing but a solid sore. His eyes looked as if they were going to fall off. So we tried another doctor. He said he could cure him and he did. The first application of Cuticura led him sleep and rest well. In one week the sores were gone but it stayed red sometimes it would itch so much we used Cuticura for two months, then he had a clear and white face. Now he is two years and seven months old and has never had eczema again. I hope his mother will help some who are suffering from skin disease. Every mother who has a baby suffering from eczema should have Cuticura; there is nothing better." Mrs. Louis Beck, 17, D. St. San Antonio, Tex.

A single set of Cuticura Remedies is often sufficient to cure torturing, itching, burning, itching and itching humors, eczema, rashes, and irritations from infancy to age, when no other remedies fail.

Cuticura External and Internal Treatment for Every Kind of Skin Disease. Cuticura is the only medicine that cures the skin, and Cuticura Remedies (Bath, Ointment, and Pills) are the only medicine that cures the blood. Send for a free trial of Cuticura. Write to J. C. WOMAN'S BACKACHE

The back is the mainspring of woman's organism. It quickly calls attention to trouble by aching. It tells, with other symptoms, such as nervousness, headache, pains in the loins, weight in the lower part of the body, that a woman's feminine organism needs immediate attention.

In such cases the one sure remedy which speedily removes the cause, and restores the feminine organism to a healthy, normal condition is **LYDIA E. PINKHAM'S VEGETABLE COMPOUND**. Mrs. Will Young, of 6 Columbia Ave., Rockland, Me., says: "I was troubled for a long time with dreadful backaches and a pain in my side, and was miserable in every way. I doctored until I was discouraged and thought I would never get well. I read what Lydia E. Pinkham's Vegetable Compound had done for others and decided to try it; after taking three bottles I can truly say that I never felt so well in my life."

Mrs. Augustus Lyon, of East Earl, Pa., writes to Mrs. Pinkham: "I had very severe backaches, and pressing-down pains. I could not sleep, and had no appetite. Lydia E. Pinkham's Vegetable Compound cured me and made me feel like a new woman."

FACTS FOR SICK WOMEN. For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

IMPORT OF GOOD ROADS.

Points in Legitimate Support of Building and Maintaining Them. Good roads are a benefit to the farmer because they render transportation of farm products easier; they facilitate travel and shorten the time to and from town or city markets; they are humane in that they lighten the draft for horses; they make driving on pleasure or business trips more enjoyable; they foster a neighborly spirit through communication; they are an aid to the federal government in establishing free rural delivery mail routes; they are business promoters and a credit to

our country.

AN ARGUMENT FOR GOOD ROADS.

any community, state or nation and, finally, are an index to the intelligence, prosperity and activity of the people. These are points are in legitimate support of the construction and maintenance of good roads, says the Southern Cultivator. Many other reasons might be cited in their favor. It does seem anomalous that, amid all our boasted national progress, this great necessity of modern civilization should be kept so far in the background. The nation needs better and more substantial highways, and it is hopeful to see indications that this subject will soon receive more attention from our national and state lawmakers than heretofore. The importance of good rural highways is being more and more recognized by business men and legislators than ever before, and the farmers need no argument to convince them that better roads will improve their business materially.

A Road Club.

The farmers of Pleasant View district, ten miles south of Eureka, in western county, Kan., have organized a good roads club with S. F. Rocky president and M. O. Hanson secretary. The club has eighteen charter members. In the district are eleven miles of road, and it is the object of the club to have each mile properly graded and worked regularly with the road district. The club will make regular meetings to discuss necessary improvements and methods for work.

AN ASPHALT ROAD.

New Jersey to Experiment With Mixture of That Product With Oil. The New Jersey state department of highways is to construct in Mercer county an experimental mile of a new automobile road, the plans for which State Road Supervisor Robert A. Meeker recently obtained in Kansas City. Mr. Meeker says the new method of construction is simple and cheap, that it is self healing when broken and therefore practically indestructible, that it improves with age, that it is mudless, noiseless and almost dustless and that it is not slippery even when coated with ice.

In the building of the road the original is three feet wider than the old one. Into this there is worked a mixture of hot asphalt, the whole mass being firmly rolled in the finishing. Breaks are quickly repaired by traffic, the weight of wheels cementing them together. The base yields slightly to heavy traffic and then regains its original shape. It is equally good for horses and automobiles.

If the experiment proves a success, it is likely that the result will be a radical change in the road building methods of the state of New Jersey, with the substitution of asphalt for the macadam process now used.

Poor Milk

Is often thought to be responsible for an infant's loss in weight or general poor health. The cause usually is that the child has worms. They get the nourishment in the food and the baby starves, actually starves. While's the mother expels the worms and nourishes the child, sure and safe. Price 25 cents. Sold by A. R. Fisher.

City Improvement

A modern iron shed has been erected to the first floor of the Masonic Temple, occupied by J. C. Nolte & Bro. This adds greatly to the appearance of the building and is also a splendid protection.

The Big Head

Is of two kinds—conceit and the big head that comes from a sick headache. Does your head ever feel like a globe and your brain feel loose and sore? You can cure it in no time by acting on your liver with Ballard's Herbine. Isn't it worth trying for the absolute and certain relief you'll get? Sold by A. R. Fisher.

Not a Matter of Choice.

Columbia Alumnus—That woman on the doberle team is intolerable. You wouldn't like to be with a woman would you? Cornell Alumnus—Got so I don't mind it now. Been married five years.—New York Tribune.

A Vital Point.

The most delicate part of a baby is its bowels. Every ailment that it suffers with attacks the bowels also endangering in most cases the life of the infant. McGehe's Baby Elixir, cures diarrhoea, dysentery and all derangements of the stomach or bowels. Sold by A. R. Fisher.

A Weighty Trojan.

One of the ladies in fancy dress was, though fair enough, a trifle fat, and we will not say that she did not look well out of the thirties. And there spoke to her a reporter:

"May I ask what character you represent?" "Helen of Troy," she answered. "Well," he murmured, ungalantly, "as weights and measures confused his brain, and he gazed on her ample proportions," "I thought perhaps you might be Helen of Avoirdupois!" Exchange.

Thinks It Saved His Life.

Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years, for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would not be without a bottle than I would be without food." For nearly forty years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and a healer of weak lungs it has no equal. Sold under a guarantee at Sevens Drug Co. 50c and \$1.00. Trial bottle free.

Modern Tiled Roads.

It somewhat appears that our whole country is soon to be made available through roads constructed by what some one has dubbed the petrolytic process, says the Los Angeles Times. In riding over a country road a chauffeur was heard to remark, "I have driven over all kinds of roads, but that sausage machine roller beats down the best surface I ever traveled over." Judging by the mileage now under construction by this process, it would appear that the general public heartily indorses the opinion of the driver quoted.

Cloverport the Prettiest

Thos. and Henry Haynes, of Bluff City, have returned to their home after being the guests of Mr. and Mrs. Frank Fraize. In speaking of their visit they said they had greatly enjoyed fishing in the streams, roaming over the hills and drinking the waters of the old springs. They added that of all the places they had been in their lives, Cloverport was the prettiest town they had ever seen.

Good road to Stephensonport 2 1/2 miles and good water the year round. 1/3 cash, 2/3 in easy terms. It is good land and in good fix. Just the farm for a man with a small family.

Sales \$6000 A Year. A splendid business stand, store house, stock of goods, good will, etc. Annual sales \$5000 to \$6000 a year. Post office in connection which pays about \$120 per year. Three miles from railroad station on the branch. Here is a fine opportunity for a man with a small capital to drop right into a good business. For further particulars write JNO. D. BABBAGE, Cloverport, Ky.

PRE-INVENTORY RED TAG SALE!

Monday, June 22, 1908. Two Days of Bargains. Tuesday, June 23, 1908

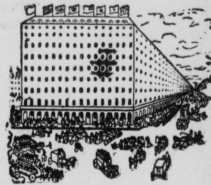

OUR STOCK IS BOUND TO GO!

This is not a Banquet but a Bargain Feast spread to help your pocketbook. You are invited, so are your friends.

On the house tops watching our Red Tag Sale.

Every cent you invest will go for honest and reliable goods at Red Tag Prices. Come and save money enough to be merry over. We want to say that you will get more for your money than you ever got before. No other store can or will duplicate these bargains. They were bought for Cash and will be sold that way. You never have had such an opportunity and never will again.

Our Red Tag Sale Will Draw the Crowd.

To assist our customers in making their purchases, and save time for ourselves, each Bargain will be designated by a Red Tag. On it will be marked former price and also Red Tag Price. Watch for them, and you will find them in each department and lots of them. Almost every article in the store will wear a Red Tag, and on account of these Low Prices we will charge no Red Tag goods on regular accounts, as they will be sold *Strictly for Cash*. We hope every body will understand this thoroughly, as we do not wish to embarrass any one. *The store will positively not be opened before 8:30 a. m. each morning.* This will enable people living at a distance to get here in time to get their share of the best offerings each day. Space forbids us itemizing each Bargain, but a few of the many will show you that you will make no mistake by coming here on *Monday and Tuesday, June 22 and 23, 1908.*
